

THE INVITE CARD MINISTRY

By CAA MINISTRIES

Using Invite Cards

TO: Sunday School Teachers and Class Outreach Leaders

Using an Invite Card Program as an Outreach & Evangelism Tool within Your Sunday School or Small Group Ministry Classes will result in personal spiritual growth and be effective in reaching your community for Christ

Getting Started Using Invite Card:

- 1) Please give each class member two or three invite cards
- 2) Explain how to use the invite cards as a tool in personal evangelism and discipleship in their daily walk with Christ. (Workplace, School, Restaurants, Public Events, Etc.)
- 3) Explain that they should look for those attending your church's worship service and other events that do not attend or are not enrolled in a group. Invite them or request to enroll them in a group.
- 4) Have a class prayer that your class's everyday efforts in using the invite cards will be productive in personal evangelism and discipleship efforts. Pray that it will result in seeing individuals and families accepting Christ as their personal Lord and Savior and Unite with His Church.

First thing each Sunday or when your group meets:

- 1) Ask for a show of hands of everyone that gave an invite Card and invited someone to church during the week.
- 2) Keep a record count of the number of personal invites reported by class members each week.
- 3) Keep a record count of the number of class guests you have attending each week.
- 4) Allow each class member to share their experience in evangelizing using the invite card during the past week.
- 5) Always ask for a show of hands of those who have invite cards with them today.
- 6) Make sure every class member goes away with at least one invite card with them each week.

Matthew 9:37 (NKJV)

37 Then He said to His disciples, "The harvest truly *is* plentiful, but the laborers *are* few".

Luke 9:23 (NKJV)

Take Up the Cross and Follow Him
